The MRBA is a building industry association serving the counties of Blue Earth, Brown, Faribault, Le Sueur, Martin, Nicollet, Sibley and Watonwan.

We are the trusted voice of the industry, providing leadership, networking and information resources to our members, our communities and our government officials. The MRBA requires that all members have proper licensing for their industry and all must comply with the rules, regulations, and continuing education requirements set by state statute. We strive to benefit our members in the professional growth of their businesses through participation, advocacy, education and community involvement.
