

HAUS OF RAW

A HAUNTED SOIREE

Saturday, October 29, 2022 | 7:30PM
Mayo Clinic Health System Event Center

Mankato Creatives get eerie at the inaugural Haus of Raw. Haus of Raw is presented by the Minnesota River Builders Association known for the community event, Raw Fusion. The MRBA works as a nonprofit to support and raise funds for community causes. Our events are built on innovation, community, creative energy, and an ever-changing ability to adapt. Imagine walking into the unknown, being thrilled, and maybe even a little scared at Mankato's first elevated adult costume party.

This elite event will feature a haunted soiree where guests are emerged into the experience. Our guests are invited and asked to dress in costume or character for the evening to enjoy at the highest level. Guests are encouraged to participate in a peer voted competition for a grand prize of \$1,000.

Have no fear...or DO!! There will be entertainment. To awaken a new style of runway, business sponsored entries can enter a haunted scene. Each individual/team will have the opportunity to showcase 1-10 members on stage in hopes of winning an award.

We guarantee another unforgettable night of RAW but with a twist. In the spring of 2023, we will get back to the runway of raw materials that you have enjoyed and supported for many years!

Frightfully yours,

Haus of Raw Committee
