

**5.3.24**

**Mayo Clinic Event Center**

**Mankato, MN**

The Minnesota River Builders Association is excited to announce the 12th Raw Fusion event on Friday, May 3, 2024 at the Mayo Clinic Health System Event Center! This year's theme is RAW: The Musical!

As in past years, it is Raw Fusion's goal to bring awareness to the local building industry and raise funds for a variety of local causes and nonprofits. Raw Fusion was built on Innovation, Community, Creative Energy and an ever changing ability to adapt and we are looking forward to Raw Fusion 2024!

This year, Raw Fusion will be raising money for the new MRBA Education Fund to support trades and construction education in our local schools. In the summer of 2023, we started the fund with \$30,000 and will be announcing in January four area schools that will be receive grants to fund their programs!

The MRBA Education Fund allows schools to apply for funding to replace or add new tools, help fund educators in the classroom, upgrade safety and training features, cover the costs of field trips to construction sites or off-site education and provide scholarships for students wanting to further their education at a trades school.

The MRBA covers a 9-county area in southern Minnesota and there are 29 public and private high schools we can support. Many of these schools have some type of trades or construction education, but need help in sustaining these courses.

We hope you will consider sponsoring Raw Fusion 2024 and help us support the future of the building industry.

MRBA Staff & Raw Fusion Committee
